VEHICLE & WORKER'S COMP INSURANCE REQUIREMENTS

- provide your W-9 and Insurance Certification

- register the trucks or equipment of others.
- tier subcontractors under you without prior HEDR permission.

Your General Liability and Automobile Liability must name

Harden Enterprise Services LLC
13291 US HWY 150 W.
Coldspring, Texas 77331

as the **CERTIFICATE HOLDER** and as the **ADDITIONAL INSURED**

You must have worker's comp insurance listing Harden Enterprise Services LLC as the certificate holder. If you are working outside of your home state, you are required to send the declarations page of your worker's comp policy showing coverage in the state you will be working in. 1099 paid owner-operators may use Occupational Accident Insurance, coupled with Contingent Liability Coverage.

Harden Enterprise Services LLC will collect copies of vehicle registrations linked to match with company insurance policies.
